

# FACULTY OF VETERINARY SCIENCE

## COURSE CLOTHING/EQUIPMENT REQUIREMENTS 2013

---

Please **check the following list carefully** for your degree as some items are a requirement and others are optional. Overalls, polo shirts and long-sleeved shirts must be faculty specific to identify you when attending placement. Only the dissection kit available online is allowed within the labs; all items within the dissection kit have been screened and approved by the faculty.

All other clothing/footwear may be substituted with equivalent alternatives.

Degree:

- BVSc (Bachelor of Veterinary Science)
- BAnVetBioSc (Bachelor of Animal and Veterinary Bioscience)

*By purchasing via the online store you are entering into a supply agreement directly with UniGear.*

*All online orders will be shipped straight to your preferred address.*

### **BVSc (BACHELOR OF VETERINARY SCIENCE)**

The following list is a **REQUIREMENT** for the **start of Semester One (4 March 2013)**. Allow enough time to place your order and have delivered before semester starts

- 1 x white laboratory coat (either faculty specific or an equivalent white lab coat)
- 1 x pair of safety glasses
- 1 x Faculty of Veterinary Science specific dissection kit (available online only)

The following is **required for Camden classes**, commencing **mid Semester One**, and for extramural placements

- Faculty of Veterinary Science embroidered overalls (either bib and brace or long-sleeved) (available online only)
- Hard-wearing cotton drill work trousers
- Steel-capped safety boots (please note R M Williams are acceptable); alternative boots must have steel-caps
- Steel-capped gumboots

The following is **required for extramural placements** commencing during **mid-year or end of year** vacation period

- Faculty of Veterinary Science embroidered polo shirt or long-sleeved light blue shirt (available online only)

The below is **optional for Camden classes** commencing **mid Semester One**

- Hard-wearing cotton drill work shorts
